A MESSAGE FROM ANNA

Happy New Year!

Hello, Friends!

Happy New Year to all of you! The entire family here at Cotton Grove Estate would like to wish you a happy, healthy, and blessed year ahead.

As we turn the page from 2020 to 2021, we are reflecting on all we have to be thankful for, even after what has been a very difficult year for many.

Recently, we welcomed aboard several new caregivers and added a few new residents to our family, as well. Currently, we have a full house and we could not be more grateful!

Spending our days surrounded by our very best friends and such a beautiful property makes for quite a happy team here at the estate.

We wish the same for all of you; that you might have the pleasure of great company, good health, and gorgeous scenery. May 2021 provide you all of these things and more!

Christmas At Cotton Grove

The holidays are always such a joyous time and this year was no exception! Nearly all of our residents decided to spend their Christmas here at the estate, which was so much fun. We just love that they enjoy their time here so much that they don't even want to leave on Christmas!

Of course, spoiling our precious residents is one of our favorite things to do, so on Christmas, they were each showered with gifts. A lovely time was had by all, residents and caregivers alike!

If you read our previous newsletter for the month of December, you know we have been nearly at capacity for the past several weeks. Well, we recently welcomed another sweet resident, putting us at full occupancy! We could not be more grateful to watch our family grow!

With all of our rooms full at the present time, we have begun a waitlist for future openings. If you or someone you know would like to be added, please contact Anna at (912) 424-6422. We look forward to hearing from you!

A Message From Anna

Hello & Happy New Year!

I hope this message finds you well and that each and every one of you have enjoyed a holiday season just as merry and bright as the one we've had here at Cotton Grove.

As you read above, we're kicking off 2021 with a full house and could not be more grateful. I would like to personally extend my deepest gratitude to all of you who have entrusted myself and our staff with the care of your precious loved ones. It is the greatest blessing to be able to love on them during their golden years.

We enter the new year with the same goal in mind as we've had all along: To treat each resident the way the person who loves them the most would.

Wishing you happiness and health in 2021!

Warmly,

Anna Pittard
